# 100 Club is worthwhile group

**Question:** What is the 100 Club? I am interested in becoming a member. Does the Peoria Police Officers Association think it is a good organization?

**Answer:** First of all, I have to answer the second question three times over: Yes, yes and yes.

JIM COUSINS

The PPOA supports the 100 Club as well as Survivor Help Network. Both organizations are top-notch. Through both, much-needed assistance has been provided to my brothers and sisters in law enforcement as well as the Fire Department.

I could not begin to tell you how great the people are who run these organizations. Their numerous selfless acts have helped many families of great fallen and injured heroes of this fine state.

The mission of the 100 Club of Arizona is to provide financial assistance to families of public-safety officers and firefighters who are seriously injured or killed in the line of duty and to provide

resources to enhance their safety and welfare. This now includes public-safety officers and firefighters who are activated to full-time military status.

The 100 Club also provides funds to purchase equipment to enhance the safety of public-safety officers and firefighters. It has a team dedicated to assist when any life-altering event happens to public-safety officers.

Professional education assistance and scholarships are provided to family members of public-safety officers and firefighters.

To become a member of the 100 Club, you can sign up for an individual membership of \$150 a year or \$250 a year for joint membership. Corporate memberships start at \$500 a year and up.

The 100 Club also accepts donations in any amount.
