## How You Can Help:

The 100 Club is proud to serve the men and women who stand behind the badge. As a volunteer, there are many ways you can help us continue to improve and increase our support.

**Become a member.** Choose from a variety of different levels including youth, individual, joint, corporate and even pet.

**Spread the word.** Let your friends and family know about the 100 Club and the support they provide to the men and women who serve and protect 24/7. One way is to join us on Facebook and recommend the 100 Club page to all of your friends.

**Give through work.** Check with your company to see if they offer employee matching programs. This is a great way to stretch the power of your giving and support your favorite community organizations.

**Bring a friend.** The 100 Club is always in need of volunteers to lend their time and support helping the 100 Club at community events. Encourage a friend to come with you the next time you volunteer so they can learn more about what the 100 Club does.
