SPONSORSHIP

THE WESTIN KIERLAND GOLF CLUB

HEROES CLASSIC GOLF TOURNAMENT

PRESENTED BY:

Arizona Financial
Foundation

Our first responders—the firefighters, police officers, and EMTs—are the heroes who stand ready to answer the call for help at a moment's notice. This tournament is our way of giving back to those who selflessly risk their lives to keep our community safe. They run toward danger while others run away, and they do so with courage, dedication, and compassion. By participating in this event, you are directly supporting these brave individuals and their families in times of crisis, providing them with the vital resources they need to continue their invaluable work.
